Detailed Report Descriptions

1. Membership Enrollment Report (List View)

- **Purpose:** Default landing report for the front desk, displaying all membership enrollment requests in a clean, searchable tabular format.
- **Features:** Includes a global search bar, sorting options, and column-level filters for member details, email addresses, contact numbers, residential addresses, membership plans and membership types.

2. Membership_Enrollments_Spreadsheet (Spreadsheet View)

- **Purpose:** Used daily by the front desk to review and update enrollment details quickly in a grid layout.
- **Features:** Allows inline editing of the membership plan and membership type fields while keeping baseline member details read-only for data integrity.

3. Membership_Type_Kanban (Kanban View)

- **Purpose:** Provides a visual pipeline for tracking enrollments by category (New Member, Renewal, Corporate Enrollment, and Deleted & Others).
- **Features:** Cards can be dragged across columns to automatically update the underlying Membership Type field.

4. Start_Date_Calendar (Calendar View)

- **Purpose:** Used by the front desk and trainers to monitor the preferred start dates and workout slots of newly enrolled members.
- **Features:** Monthly, weekly, and daily grid views allowing quick identification of upcoming joining dates.

5. Member_Residential_Map (Map View)

- **Purpose:** Deployed by the gym management to visualize the geographical distribution of members across cities such as Erode, Chennai and Coimbatore.
- **Features:** Geocode-enabled pin placement to identify high-density member areas and plan local promotions.

6. Enrollment_Activity_Timeline (Timeline View)

- **Purpose:** Enables management to track enrollment inflow and activity across specific hours and days of the week.
- **Features:** Chronological breakdown highlighting peak periods of enrollment submissions.

7. Plan_By_MembershipType_Pivot (Pivot Table)

- **Purpose:** Summarizes the relationship between membership plans and membership types to analyze enrollment distribution.
- **Features:** Provides matrix totals and grand counts for comparative internal review.

8. Plan_Distribution_Chart (Chart View)

- **Purpose:** Visually compares the number of enrollments across membership plans, segmented by membership type.
- **Features:** Dynamic sorting and legend filters for membership type and plan.

9. Plan_Wise_Summary (Summary View)

- **Purpose:** Aggregates core enrollment metrics by membership plan to support pricing and capacity planning.
- **Features:** Displays calculated counts, average age and category groupings for quick executive summaries.
